大馬叫外賣

Malaysia Orders in

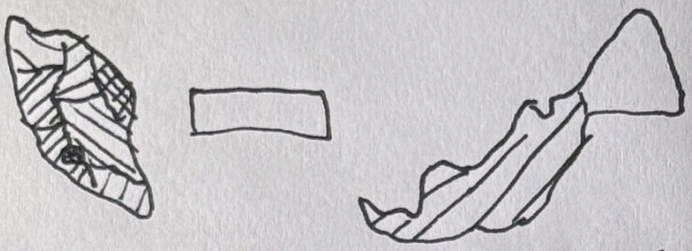

RM 11.9 billion

Malaysians spend more on delivery

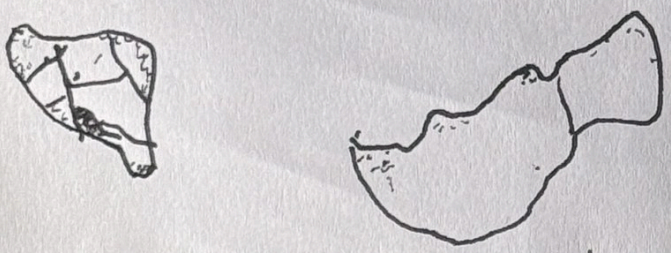

RM 9,742 million

2023

KualaLumpur has 3x Sabah's eating places per person

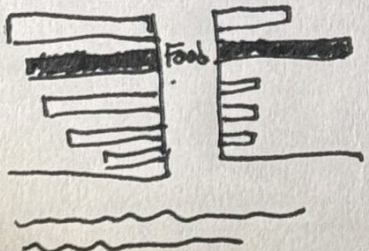

Mapped eating places crash the west coast

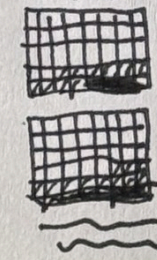

Malaysians spent more on food delivery in 2014

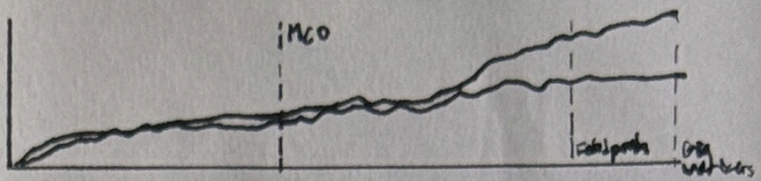

Food and health essentials

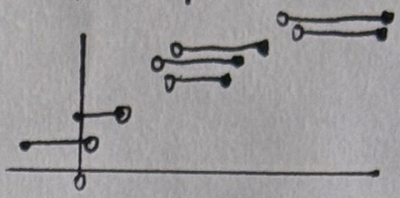

Grab vs Shopeefood vs Foodp

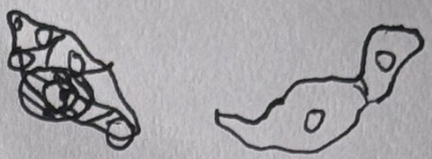

A meal out costs more than it did

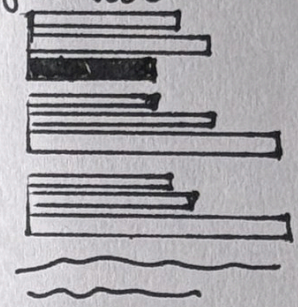

Eating out rose in price faster in towns

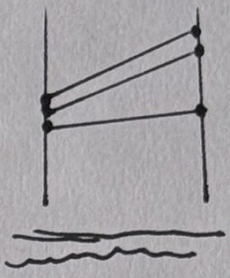

Fewer kitchens, more money

Eating places fell after 2015 while money and sales rose

Money taken for every eating place doubled except catering

Malaysians order in from fewer kitchens and pay more for it

Grab took two-thirds of the RM 1.4 billion
